## Co-Production and Co-Creation

Engaging Citizens in Public Services

Edited by **Taco Brandsen**, Radboud University Nijmegen, the Netherlands, **Trui Steen**, KU Leuven, Belgium and **Bram Verschuere**, Ghent University, Belgium

*Series: Routledge Critical Studies in Public Management*

Citizens participating actively in delivering and designing the services they receive, has come increasingly onto the agenda of policymakers. Co-Production and Co-Creation offers a systematic and comprehensive theoretical and empirical examination of the concepts of co-production and co-creation and their application in practice. It shows the latest state of knowledge on the topic and will be of interest to students at an advanced level in the fields of business administration, economics, political science, public management, sociology and voluntary sector studies, as well as to researchers and reflective practitioners.
